

Whole School Curriculum Intent 2023-2024

Intent:

Inclusion and Personalisation:

- We aim to provide an inclusive and personalised curriculum that meets the diverse needs of all pupils.
- We strive to create an environment where every pupil feels valued, supported, and motivated to achieve their full potential.

Holistic Development:

- We recognise that education goes beyond academic achievement.
- Our curriculum is designed to foster the holistic development of pupils, addressing their social, emotional, and mental well-being, as well as their intellectual growth.

Reintegration and Transition:

- Our curriculum focuses on preparing pupils for successful reintegration into mainstream or special school education or transition to further education, employment, or training.
- We provide targeted support to help pupils develop the necessary skills, knowledge, and attitudes for a smooth transition.

Practical Skills:

- We emphasize the development of practical skills to enhance pupils' independence, resilience, and employability.
- This includes promoting problem-solving, critical thinking, communication, teamwork, and digital literacy skills.

Engagement and Motivation:

- Our curriculum aims to engage and motivate pupils by making learning relevant, meaningful, and enjoyable.
- We offer a range of stimulating and interactive learning experiences, including practical activities, real-world applications, and opportunities for creativity and self-expression.

Implementation:

Pupil Plans:

- Each pupil has a Pupil Plan tailored to their specific needs ensuring that there is a consistency and intensity of support needed through well thought out and planned relational intervention.
- The Pupil Plan is developed collaboratively with the pupil ensuring a holistic approach to their education.

Broad and Balanced Curriculum:

- We provide a broad and balanced curriculum that encompasses core subjects, including English, mathematics, science and computing as well as a range of additional subjects taught through project based learning.
- We have a focus on practical, hands-on learning and offer vocational subjects, both onsite and offsite.
- The curriculum is designed to meet the individual learning requirements.

Flexible Pathways:

- We offer flexible pathways that enable pupils to access appropriate levels of challenge and support.
- This includes differentiated instruction, small group work, one-to-one support, and access to specialised interventions where needed.
- We also provide opportunities for vocational and work-related learning to develop practical skills and enhance future prospects.

Therapeutic Support:

- Recognising the social and emotional needs of our pupils, we provide access to therapeutic support services such as speech and language support.
- These services are integrated into the curriculum to promote emotional well-being and positive relationships.

Assessment and Progress Monitoring:

- We employ a range of assessment strategies, including formative and summative assessments, to monitor pupils' progress and inform teaching and learning.
- Assessment methods are tailored to individual needs, with a focus on recognising achievements and setting realistic goals for continuous improvement.

Impact:

Social and Emotional Development:

- We seek to improve pupils' social and emotional well-being by providing a nurturing and inclusive environment.
- We monitor indicators such as attendance, behaviour records and engagement levels to assess the impact of our curriculum on pupils' personal and social development.
- Our aim is for our young people to learn to self-regulate and manage their emotions

Academic Progress:

- We aim for all pupils to make progress in their academic achievements, aligned with their individual starting points and potential. Regular assessments, tracking of progress and feedback enables us to measure and evaluate the impact of our curriculum on pupil learning outcomes.

Reintegration and Transition Success:

- We measure the success of our curriculum by tracking the number of pupils successfully reintegrated into mainstream education or special schools or who transition on to further education, employment, or training.
- Feedback from receiving schools, colleges, employers and pupils themselves helps us evaluate the effectiveness of our transition.

Stakeholder Feedback:

- We actively seek feedback from pupils, parents/carers, staff and external stakeholders to assess the impact of the school

Key Stage 2

Academic Excellence:

Core Knowledge:

- We strive to ensure that all pupils acquire a broad and balanced understanding of the core subjects, including English, mathematics, science, and computing as well as a focus on practical learning and enrichment opportunities to equip pupils with essential life skills. Our curriculum encourages curiosity, critical thinking and intellectual; exploration.

Skills Development:

- We aim to foster essential skills, including literacy, numeracy, problem-solving, critical thinking, communication, and independent learning skills.
- These skills are crucial for academic success and lifelong learning.

Individualised Learning:

<p>Our curriculum intent for Key Stage 2 is centred on equipping our pupils with the essential knowledge, skills and attitudes they need to thrive academically, socially and emotionally.</p> <p>Our over-arching goal is to provide a nurturing and inclusive environment that promotes holistic development and prepares pupils for a successful transition to secondary education.</p> <p>By the end of Key Stage 2, we aim to have nurtured resilient, confident and well-rounded individuals who are academically prepared, socially adept and ready to embrace the next phase of their educational journey with enthusiasm, ambition and a positive mindset.</p>	<ul style="list-style-type: none"> Recognising the diverse needs of our pupils, we provide tailored and personalised learning experiences that address their specific learning gaps, accelerate progress, and build confidence in their abilities. <p>Digital Literacy:</p> <ul style="list-style-type: none"> We aim to develop pupils' digital literacy, enabling them to utilise technology effectively and responsibly, preparing them for the digital world they will encounter in the future <p>Social and Emotional Development: Resilience and Well-being:</p> <ul style="list-style-type: none"> We promote emotional well-being and resilience by creating a supportive and nurturing environment. We empower pupils to develop strategies to manage their emotions, build positive relationships, and make responsible decisions. <p>Self-Confidence and Self-Esteem:</p> <ul style="list-style-type: none"> We foster a sense of self-worth and self-belief in our pupils, encouraging them to embrace challenges, take risks, and develop a growth mindset. We celebrate achievements and provide opportunities for them to showcase their talents and skills. <p>Social Skills and Empathy:</p> <ul style="list-style-type: none"> We prioritise the development of social skills, empathy, and respect for others. Key Stage 4

<p>In Key Stage 4, our curriculum intent is centred on providing a comprehensive and inclusive education that equips our pupils with the knowledge, skills, and attitudes they need to thrive academically, socially, and vocationally.</p> <p>We aim to empower them to achieve their potential, successfully transition into further education, training, or employment, and lead fulfilling lives.</p> <p>By the end of Key Stage 4 our curriculum intent is to have empowered our pupils with a strong academic foundation, well-developed social and emotional skills, and the necessary tools to succeed in further education, training, or employment.</p> <p>We aim for them to be confident, resilient, and responsible individuals who are well-prepared for their chosen pathways and capable of making positive contributions to society</p>	<p>As for Key Stage 3 and see below:</p> <p>Academic Excellence:</p> <p>Core Knowledge:</p> <ul style="list-style-type: none"> We prioritise the acquisition of a broad and balanced understanding across core subjects such as English, mathematics, science and computing as well as having a focus on practical and vocational learning opportunities and enrichment opportunities. These will equip pupils with essential life and employability skills. Work related learning and career guidance is integrated into the curriculum. Our curriculum encourages critical thinking, analysis and independent research. <p>Personalised Learning Pathways:</p> <ul style="list-style-type: none"> We offer a range of personalised learning pathways tailored to each pupil's interests, abilities, and aspirations. This may include academic subjects, vocational qualifications, or a combination of both, providing opportunities for pupils to excel in areas aligned with their strengths and career goals. <p>Skills Development:</p> <ul style="list-style-type: none"> We foster the development of essential skills necessary for success in further education, training and employment. This includes communication skills, problem-solving, research skills, digital literacy and study skills. Pupils will also develop subject-specific skills relevant to their chosen pathways. <p>Personalised Support:</p> <ul style="list-style-type: none"> Recognising the unique needs and circumstances of our pupils, we provide personalised support and interventions to address any academic gaps or challenges they may face. Our goal is to ensure that each pupil achieves their full potential and makes progress towards their desired outcomes. <p>Social and Emotional Development:</p> <p>Well-being and Resilience:</p> <ul style="list-style-type: none"> We prioritise the well-being and resilience of our pupils, equipping them with strategies to manage stress, develop positive mental health and build emotional resilience. Pupils will learn to recognize and regulate their emotions, maintain healthy relationships and seek support when needed. <p>Personal and Social Responsibility:</p> <ul style="list-style-type: none"> We foster a sense of personal and social responsibility, promoting positive behaviour and respect for others. Pupils will engage in activities that encourage teamwork, empathy, and understanding of diverse perspectives, preparing them for successful interactions in the wider society. <p>Leadership and Communication Skills:</p> <ul style="list-style-type: none"> We develop leadership and communication skills to empower pupils to express themselves effectively, contribute to group discussions and become confident advocates for their ideas and beliefs. These skills are essential for success in further education, employment, and personal relationships. <p>Careers Education and Guidance:</p> <ul style="list-style-type: none"> We provide comprehensive careers education and guidance, offering pupils insights into various career pathways, the world of work, and further education options. Pupils will develop the skills necessary for career planning, such as CV writing, interview techniques, and work-related learning experiences. <p>Preparation for Further Education, Training, or Employment:</p> <p>Post-16 Transition:</p> <ul style="list-style-type: none"> We prepare pupils for a successful transition into further education, training, or employment. This includes providing guidance on college applications, apprenticeships and vocational training opportunities. We equip pupils with the necessary skills, knowledge, and qualifications required for their chosen pathways. <p>Personal Development:</p> <ul style="list-style-type: none"> We prioritise the personal development of each pupil, nurturing their self-confidence, self-esteem and resilience. Pupils will be encouraged to set aspirational goals, reflect on their progress, and develop a growth mindset that empowers them to overcome challenges and embrace new opportunities. <p>Employability Skills:</p> <ul style="list-style-type: none"> We equip pupils with a range of employability skills, including teamwork, problem-solving, communication, time management and adaptability. Through work experience placements and vocational qualifications, pupils will gain practical experience and develop skills valued by employers. <p>Continuing Support:</p> <ul style="list-style-type: none"> We provide ongoing support and guidance to pupils as they transition into further education, training or employment. We maintain strong partnerships with colleges, training providers and employers to ensure a smooth and successful transition.
