

Topic: Living in the wider world ks4	HT:2 WK:1			
<h1>Learning Objective</h1>				
To have a basic understanding of financial concepts, budgeting, and the importance of responsible financial management.				
I will achieve this by:				
Making a list of basic financial terms and concepts (e.g., income, expenses, savings, debt) and their meaning				
Practice budgeting skills, including creating and managing a simple budget.				
Discussing the importance of saving and investing for the future. Explore the risks and benefits of different financial decisions and products.				

Find the meaning of the terms below

Account

Credit

Debit

Overdraft

Interest

Loan

Mortgage

Direct Debit
